All Funds Summary

- This document includes budgets for the following funds:
General Fund, Golf Course Fund, Fire Services Capital Reserve Fund, Capital Reserve Fund, Equipment Reserve Fund, Road Improvement Fund, Mandatory Dedication Fund, Liquid Fuels Fund and the Trash/Recycling Fund.
- Total budgeted revenues for 2017 are \$18,138,000, reflecting an increase of 24.92 % over the 2016 budgeted revenues.
- Budgeted expenses are projected at \$20,271,000 which represents an increase of 18.02 % compared to 2016.
- It is anticipated that reserve funds in the amount of \$2,133,000 will be needed to meet planned expenditures for 2017.

- The challenge for the Township going forward is to maintain an adequate level of fund balance each year in order to provide a positive cash flow, especially in the 1st quarter of the year. Township revenues tend to be cyclical in nature whereas expenditures are more constant, therefore January and February are lean revenue producing months.
- Total reserve fund balances are projected to be \$5,868,000 on December 31, 2017, a decrease of 26.66% from the projected December 31, 2016 balance of \$8,000,000. 2017 includes drawing down approximately \$2,133,000 of reserves to fund capital projects.
- The 2017 proposed budget does not include a tax increase.
- Of all Township revenue sources, Earned Income Tax represents 20.9% and Real Estate Tax 15.3%.
- On the expense side, salaries and wages represent 23.6%, fringe benefits 10.7% and pension costs 4.6%. In total the “employee cost” account for 38.9% of the entire budget for 2017. Capital Improvements represent 29.0% of the total budget for 2017.

General Fund

- The projected opening fund balance for 2017 is \$4,407,000 or 4% more than the \$4,266,000 that was available at the beginning of 2016.
- In 2007 Township expenses exceeded revenues by \$964,000 thus dramatically drawing down the opening fund balance for 2008 to a level of \$494,000. The Township has managed to increase the ending fund balance over the last nine years by \$3,913,000 due to prudent financial management practices. For 2017 revenues are projected to be more than expenditures by \$92,000 with an anticipated ending fund balance of \$3,473,000.
- General Fund revenues are budgeted at \$10,264,000 or 3% higher than 2016, primarily due to some increases in the Act 511 tax revenues.
- As mentioned previously the 2017 budget does not reflect an increase in the real estate tax rate with the rate remaining at 1.32 mills. The General Fund millage is 1.12 mills with the Capital Reserve Fund receiving the additional .20 mills.

- Act 511 taxes are projected as follows:

Earned income taxes -\$ 4,000,000

Local services taxes - \$ 1,030,000

Realty transfer taxes -\$ 625,000

- The 2017 full-time staffing level reflects a total to 68 positions budgeted (General Fund - 62 and Golf Fund - 6). The General Fund total includes 34 police officers.
- Salaries for non-uniformed employees are projected to increase 3.00%. Police wages are contractually scheduled to increase 2.75%.
- In total the 2017 General Fund expenditure level of \$10,172,000 represents an increase of \$470,000 or 4.8% as compared to the 2016 budget of \$9,702,000 with all departments striving to hold the line on cost increases.
- General Fund capital equipment requests total \$292,000 for 2017.
- For 2017, \$125,000 is earmarked to supplement the Golf Fund to help cover capital purchases and improvements and other operational needs. In addition, \$900,000 is earmarked to supplement the Capital Reserve Fund towards projects costs.

Golf Course Fund

- Revenues for 2017 are projected at \$1,063,000 which is a 1.0% increase over the 2016 budget. Next year's budget includes a new revenue source, driving range fees estimated at \$45,000.
- The golf course operation expense budget of \$424,000 reflects an 8% decrease in spending for 2017. This is primarily due to the fact that the 2016 budget included a non-recurring \$75,000 capital expenditure to create the driving range.
- The golf course maintenance budget is proposed at \$488,000 or a 1% increase for next year.
- The snack bar / banquet expense budget totaling \$229,000 reflects an 11% increase. Next year's budget includes increases in the line-items for snack bar supplies and materials, as well as \$10,000 for additional banquet facility chairs.
- Overall, the total expenditures for 2017 are projected at \$1,171,000 which represents a 0.4% decrease for next year.
- The supplemental funding from the General Fund is projected to be \$125,000.

Trash / Recycling Fund

- This is a special revenue fund utilized to account for all the activities associated with the Township's mandated trash and recycling program.
- The 2017 budget reflects holding the rates the same for Township residents. The quarterly rate will be \$42.50 per residential unit. Customers paying annually will pay \$150.00 per year.
- Total revenues are projected at \$1,437,000 for 2017. Customer trash billings generate \$1,274,000 in revenue from our 7,379, customer base. Of the remaining \$163,000 in revenue, \$66,000 represents an annual recycling performance grant from the State.
- 2017 expenses are projected at \$1,553,000 or 2% lower than 2016. The largest components are \$682,000 for refuse collection, \$505,000 for disposal tipping fees and \$189,000 for the fall leaf collection program.

Capital Reserve Fund

- The opening fund balance for 2017 is \$2,245,000 or \$595,000 less than the 2016 opening fund balance.
- The real estate rate for next year will be .20 mills, which will generate \$438,000 in revenue. All other revenues amount to \$3,616,000 (including \$3,295,000 of loan proceeds to fund the Police Station expansion project), for a total of \$4,054,000.
- The debt service associated with this fund will amount to \$468,000 next year.
- The project funding provided for next year totals \$5,366,000 to address the following projects: \$3,000,000 for the police station renovation, \$200,000 for storm water improvements, \$400,000 for paving, \$1,100,000 for the Centerville Road (north) project and \$666,000 for other projects. The total paving budget for next year will equal \$900,000, including the \$500,000 appropriated in the Liquid Fuels budget.
- For 2017 \$900,000 is planned to be transferred from the General Fund to provide funding for infrastructure projects.

Description of Township Operating Funds

The accounting records and budgeting for a municipality is somewhat different than that of private industry. In contrast to private industry, municipalities break their operations down into smaller segments which would resemble the various individual companies that may exist within a larger corporation. These individual “companies” are referred to as funds within a municipality. In some cases, these “funds” are required by State guidelines, in other cases they are required by the Governmental Accounting Standards. The Township prepares budgets for all major funds. The primary purpose of each of the funds is described below.

General Fund

The General Fund is used to pay the “general” expenses associated with the Township. It pays for the administration of the Township, maintenance of the buildings and grounds including the various parks and athletic fields scattered throughout the Township. The General Fund also pays for the police services which account for 47% of the total expenditures in this fund. Another major expense, 17% of this budget, is the year-round maintenance and improvements of Township facilities, local roads and storm drains and parks. The remaining 36% of the budget is used to pay for administration, pension costs, planning, engineering, zoning and fire services.

The primary source of income to pay for these expenditures is Act 511 taxes. These taxes account for approximately 55% of revenues. The earned income tax, of which we receive ½ of the 1%, amounts to \$4,000,000. The local services tax, a \$52 charge to those employed in the Township, amounts to \$1,030,000. The Township assesses 1.12 mills of real estate tax which accounts for 24% of total revenues. The remainder of the \$10.2 million revenue budget is comprised of various other licenses and permits as well as revenue received from the state and charges for various services that are performed.

Golf Fund

The Golf Fund tracks the income and expenditures for the Four Seasons Golf and Banquet Facility that the Township owns and operates and is considered a special revenue fund for accounting purposes. The three operating budgets within the Golf Fund consist of golf course operations, maintenance, and the snack bar / banquet area.

The primary source of income to the Golf Fund is “user” fees received from golfers, budgeted at \$915,000 in 2017.

Other Funds

Other special revenue funds consist of the following:

- The Fire Services Fund is used to pay the principal and interest on loans acquired for capital equipment purchases and capital improvements on behalf of the various volunteer fire departments that serve the Township. In addition, several operating costs such as fuel, utilities and insurances are paid from this account. The funding source is a direct transfer from the General Fund.
- The Equipment Reserve Fund has been earmarked for various equipment needs for the Township’s public safety areas. 2014 expenditures included the planned upgrade to the police/fire/ public works radio system which are tied to the Lancaster County 911 system. Annual income into this fund consists of interest earnings.
- The Road Improvement Fund accounts for contributions received from private sector entities and developers which are earmarked for major infrastructure projects. Funds are transferred to the Capital Reserve Fund as the improvement projects commence.
- The Mandatory Dedication Fund consists of fees assessed developers “in lieu “of providing open space areas within the planned developments in the Township. Funds are then transferred to the Capital Reserve Fund as park improvement projects commence.

Capital Reserve Fund

The Capital Reserve Fund is used to fund major capital improvement projects as well as pay the debt service associated with such improvements. For 2017, \$5,834,000 is earmarked to fund these efforts.

The annual funding for 2017 consists of real estate tax revenues of \$438,000, \$3,295,00 in loan proceeds and \$321,000 in other income.

Liquid Fuels Fund

Money for this account is provided entirely by the Commonwealth of Pennsylvania. The funds are collected by the state through taxes on liquid fuels such as gasoline, hence the name of the fund. The primary restriction placed on these monies is that they can only be used for the maintenance of roads or for equipment used to maintain roads. Of the \$793,000 projected revenues in 2017, \$500,000 has been budgeted for resurfacing of existing roads. In addition, \$300,000 will be used for signal utilities, street lighting, sign / signal repairs, line painting and crack sealing.

Trash / Recycling Fund

This is a special revenue fund utilized to account for the activities associated with the Township's mandated trash and recycling programs. Total revenues are projected at \$1,436,000 for 2017. Customer trash billings generate \$1,274,000 in revenue from our 7,379, customer base. Of the remaining \$163,000 in revenue, \$66,000 represents an annual recycling performance grant from the State.

2017 expenses are projected at \$1,553,000. The largest components are \$682,000 for refuse collection, \$505,000 for disposal tipping fees and \$189,000 for the fall leaf collection program.
